The budget requests from each department heads were discussed. A budget decision page was reviewed that outlined each department's equipment requests. A non-union salary schedule was passed out with last year's non-union salary survey.

Board members discussed whether they can make any judgment on a tax rate but felt that it was too soon to make a decision.

The board asked that the equipment purchases be removed from the preliminary budget to that each purchase can be analyzed separately. The board asked for a multi-year plan for replacement and an updated list of current equipment.

The Mayor suggested plugging in a 1.5% non-union wage increase across the board for now.

The paving of Covington Street was discussed as well as a few other options.
