Tree Planting Request Form

Applicant Contact information:

Name: _____ Date _____

Address: _____

Home phone: _____ Cell phone: _____

Email: _____

Village residents may request a street tree to be planted on the right-of-way¹ adjacent to your property at the expense of the village subject to the planting schedule and budget of the village. These may not be removed without village permission. Alternatively, property owners may request to plant a tree on the right of way yourself at your own expense. The variety and location must be approved by the Tree Board and planted at least 2 feet from underground utilities (call 811 for marking 1-2 weeks before).

1. (Select one): Village planting - or - Property owner planting
2. Desired location of planting. Be as specific as possible if you have a preference:
 - a. Address: same as above, or _____
 - b. Distance from any landmarks: _____
 - c. Consider placing a stake with a brightly colored or white ribbon at the desired location.
3. Will you commit to watering the requested tree for the first three years?² yes
Watering is important for your tree's survival chances. Your help with watering the requested tree would be appreciated for the first three years.³ Placing mulch around, but not against, the trunk can help acidify the soil and counteract the effects of road salt.
4. Variety selection
 - a. I would like the village Tree Board to select a recommended or available variety.
- or -
 - b. I would like a tree of one of the following varieties or with the following tree attributes, if possible.
 - c. **1st Choice** _____ **2nd Choice** _____

Comments:
