MINUTES

Minutes were reviewed from the last meeting on August 5, 2021. Motion to approve the minutes was made by Dana Grover, seconded by Bridget Givens, and carried with all voting aye.

DRAFT COMPLETE STREETS POLICY

As a follow up from the last meeting in August, a final draft of the Complete Streets Policy has been submitted for review to the Planning Board. The board discussed the policy and provided feedback and possible revisions. Suggested revisions can be found in the attached draft policy (in red).

The Planning Board also discussed the possibility of applying for grants: how to identify potential useful grants, the application and approval process, and the Village Board's involvement in the process. A sub committee could be identified which would include a member of the Planning Board to assist with identifying grants and completing the grant application.

The next meeting is scheduled for April 7, 2022.

Respectfully submitted,
Christina Slusser, Zoning Secretary
