MINUTES

Approval of minutes for March 3, 2022 was tabled due to attendance.

COMPLETE STREETS POLICY

James Reynolds provided a summary of the Complete Streets Policy and the steps that have been taken so far to bring Terri Humberstone up to speed. James explained the purpose of the policy and the way the Planning Board has had a hand in new development. The policy improves oversight on what is allowable for site plan reviews. The plan is to present a formal policy approved by the Planning Board to the Village Board for adoption.

James Reynolds made a motion to approve the Complete Streets Policy with the provision that “shall” is replaced with “should” in section “B” under Scope of Applicability. Upon revision, the Planning Board will send the recommendation formally to the Village Board. James’s motion was seconded by Terri Humberstone and carried with the following vote:

Ayes	3
Nays	0
Abstain	0

With no further business, motion to adjourn was made at 6:54 pm.

Respectfully submitted,  
Christina Slusser,  
Zoning Secretary
