This form is intended to create consistent guidelines and gather sufficient information about proposed events requiring coordination from the Village of Perry. It is the intent of the Village Board that taxpayer subsidy - in the form of staff time, overtime, equipment, materials, maintenance, and clean-up – of any event on village property should have a measurable public benefit and that the services the village can provide without charge should be commensurate with that public benefit.

- Revenue Neutral – some or all participants may be charged; but funds go towards organizing the event or for a local, registered charitable cause.
